

How your GROUP can use The Funhouse...

Fun for all ages:

Wee Little Toddlers: Captivated the moment they walk in the door, by all the stimulating colors and shapes, 2-5 year olds never get bored here. This age group often enjoys the following exhibits and activities:

- Rainbow room
- Sing along videos
- Big parachute play
- Watching the kinetic sculpture
- * Story time cubbie
- * "Jupiter" ship replica
- * Fort building with foam blocks
- * Finger painting and hand prints

6-10 year olds: These kids typically have a greater attention span and find more things to explore and play with at The Funhouse than time usually allows. This age group often enjoys the following exhibits and activities:

- Frozen shadow room
- Ping Pong Highway
- Rock wall
- Bodyworks human replica puzzle
- Arts and crafts studio (labeled as the yurt on the map)
- Hands-on Tornado and various science exhibits
- "Magic School Bus" or "Bill Nye" video time
- Outdoor play set, swings, slide, monkey bars
- * Air canon
- * Rock wall
- * Arcade style claw-drop game
- * Rokenbok remote control cars

Pre-teens and Teens: The older kids quickly realize that this is not just a kids' museum and typically find themselves wishing they had more time here. This age group often enjoys the following exhibits and activities:

- Pitching Cage
- Ping Pong
- WII video games
- Capture the flag
- Game Cube (video games)
- Foosball
- Pool
- Optical illusions & Brain teasers
- Garage band mixing (music software program)
- Music Studio (with piano, drums, guitars, bass guitars, and keyboard)
- * Computer Games
- * Art Studio
- * Retro arcade games
- * Disc (Frisbee) golf
- * Board games
- * Air Hockey
- * Internet surfing

Along with so many great things to keep the kids busy and engaged, a group party activity can also be planned for you. Activities range from karaoke and open mic, to scavenger hunts and art projects.
